

# RLS27 Rugged Strip Lights

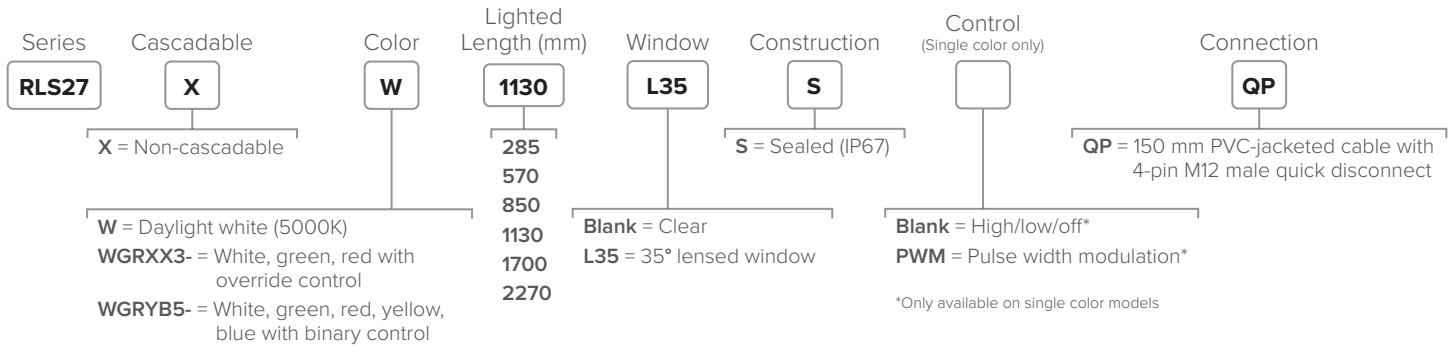

## Highly Efficient Strip Lights with Superior Environmental Resistance

- Protection against common car wash soap, cleaning solutions, and other detergents
- Sturdy aluminum housing encased in a shatterproof, UV-stabilized, polycarbonate shell, making it ideal for all weather outdoor applications like dock doors and fill stations
- Focused lens provides close range intensity and long range visibility for easy viewing outside
- Programmable models with RGBW LEDs for use in indication, illumination, and inspection applications
- Banner's free Pro Editor software allows users to program device status, colors, and animations

# RLS27 Rugged Strip Lights

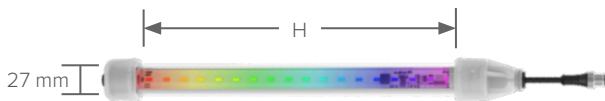

## Single and Multicolor Models

## Pro Models

## Specifications

### Height (H)

285 mm	1130 mm
570 mm	1700 mm
850 mm	2270 mm

### Supply Voltage

Single color: 12 to 30 V DC  
Multicolor: 24 V DC  
Pro: 18 to 30 V DC

### Construction

Inner housing: clear anodized aluminum  
Outer housing: UV-stabilized polycarbonate  
Connector: Nickel-plated brass

### Operating Conditions

-40 to +70 °C (-40 to +158 °F)

### Environmental Rating

IP67, IP69K per DIN 40050-9

### Certifications

## Accessories

**LMBHLS27S**  
Impact absorbing brackets,  
set of two (included)

**LMBHLS27O**  
Impact absorbing clamp brackets,  
set of two

**LMBWLS27H**  
Hanging clamp brackets,  
set of two

**LMBWLS27U**  
Universal clamp bracket
