# 70 mm Modular Tower Lights

# TL70 Basic Industrial Tower Light That Provides Cost-Effective Status Indication

- Unique pin-to-position design allows for quick and easy installation
- Modular construction for configuration flexibility
- Features a very loud adjustable audible alarm that goes up to 104dB
- Pre-assembled options with up to 5 LED segments, or 4 LED segments with audible
- Available with 7 colors: white, blue, green, yellow, red, orange, and violet
- Steady or flash animation options available

## TL70 Basic Tower Lights

#### Pre-assembled Models

| Color/Alarm                     | Connection            | Models       |
|---------------------------------|-----------------------|--------------|
| Green, Yellow, Red              | 5-pin M12 integral QD | TL70B-GYRQ   |
| Green, Yellow, Red, Alarm       |                       | TL70B-GYRAQ  |
| Blue, Green, Yellow, Red        |                       | TL70B-BGYRQ  |
| Blue, Green, Yellow, Red, Alarm | 8-pin M12 integral QD | TL70B-BGYRAQ |
| White, Blue, Green, Yellow, Red |                       | TL70B-WBGYRQ |
